

Activities of the Office for International Legal Protection of Children in the state of emergency from the 1st March 2021

Due to the state of emergency declared by the Government of the Czech Republic (hereinafter referred to as “the Government”) and with regard to the crisis measures adopted by the Government the Office for International Legal Protection of Children (hereinafter referred to as the “Office”) announces that the personal contact of the Offices’s employees with the public and other subjects has been restricted till 28th March 2021 in the necessary way as follows:

- a) all personal contact with the Office shall be replaced by **written** (paper or electronic) **and telephone contact**;
- b) **the delivery of all documents** from clients and the public shall be operated **by the filing room of the Office** under stricter hygienic measures; **if it is possible the electronic communication shall be preferred.**

We kindly ask the public and other entities to contact the Office's employees by telephone or e-mail.

The expert team contact list is available on our website at umpod.cz/en/contacts/e-mail-and-phone. (Please use the mobile phone contacts.)

Brno 27th March 2021

Zdeněk Kapitán
Director and Head of a Service Authority
